Introductory Provisions

Section 1.01. Application of General Conditions

These General Conditions for Sovereign-backed Loans (“General Conditions”) set forth certain terms and conditions generally applicable to the Loan Agreement and to any other Legal Agreement. They apply to the extent the Legal Agreement so provides. If the Loan Agreement is between the Member and the Bank, references in these General Conditions to the Guarantor and the Guarantee Agreement shall be disregarded. If there is no Project Agreement between the Bank and a Project Implementing Entity, references in these General Conditions to the Project Implementing Entity and the Project Agreement shall be disregarded.

Section 1.02. Inconsistency with Legal Agreements

If any provision of any Legal Agreement is inconsistent with a provision of these General Conditions, the provision of the Legal Agreement shall govern.

Section 1.03. Definitions

As used in these General Conditions, the capitalized terms have the meanings ascribed to them in the Appendix.

Section 1.04. References; Headings

References in these General Conditions to Articles, Sections and Appendix are to the Articles and Sections of, and the Appendix to, these General Conditions. The headings of the Articles, Sections and Appendix, and the Table of Contents are inserted in these General Conditions for reference only and shall not be taken into consideration in interpreting these General Conditions. References in these General Conditions to a specific gender apply equally to any gender.

ARTICLE II

Withdrawals

Section 2.01. Loan Account; Withdrawals Generally; Currency of Withdrawal

- (a) The Bank shall credit the amount of the Loan to the Loan Account in the Loan Currency.

- (b) The Recipient may from time to time request withdrawals of amounts of the Loan from the Loan Account in accordance with the provisions of the Loan Agreement.
- (c) Each withdrawal of an amount of the Loan from the Loan Account shall be made in the Loan Currency. The Bank shall, at the request and acting as an agent of the Recipient, and on such terms and conditions as the Bank shall determine, purchase with the Loan Currency withdrawn from the Loan Account such Currencies as the Recipient shall reasonably request to meet payments for Eligible Expenditures.

Section 2.02. Special Commitment by the Bank

At the Recipient's request and on such terms and conditions as the Bank and the Recipient shall agree, the Bank may enter into special commitments in writing to pay amounts for Eligible Expenditures notwithstanding any subsequent suspension or cancellation by the Bank or the Recipient ("Special Commitment").

Section 2.03. Applications for Withdrawal

- (a) When the Recipient wishes to request a withdrawal from the Loan Account, or to request the Bank to enter into a Special Commitment, the Recipient shall deliver to the Bank a written application in such form and substance as the Bank shall reasonably request. Applications for withdrawal, or for a Special Commitment, including the documentation required pursuant to this Article, shall be made promptly in relation to Eligible Expenditures.
- (b) The Recipient shall furnish to the Bank evidence satisfactory to the Bank of the authority of the person or persons authorized to sign such applications and the authenticated specimen signature of each such person.
- (c) The Recipient shall furnish to the Bank such documents and other evidence in support of each such application as the Bank shall reasonably request, whether before or after the Bank has permitted any withdrawal requested in the application.
- (d) Each such application and accompanying documents and other evidence must be sufficient in form and substance to satisfy the Bank that the Recipient is entitled to withdraw from the Loan Account the amount applied for, and that the amount to be withdrawn from the Loan Account will be used only for the purposes specified in the Loan Agreement.
- (e) The Bank shall pay the amounts withdrawn by the Recipient from the Loan Account only to, or on the order of, the Recipient.

Section 2.04. *Designated Accounts*

- (a) The Recipient may open and maintain one or more designated accounts into which the Bank may, at the request of the Recipient, deposit amounts withdrawn from the Loan Account as advances for purposes of the Project. All designated accounts shall be opened in a financial institution acceptable to the Bank, and on terms and conditions acceptable to the Bank.
- (b) Deposits into, and payments out of, any such designated account shall be made in accordance with the Loan Agreement and such additional instructions as the Bank may specify from time to time by notice to the Recipient. The Bank may, in accordance with the Loan Agreement and such instructions, cease making deposits into any such account upon notice to the Recipient. In such case, the Bank shall notify the Recipient of the procedures to be used for subsequent withdrawals from the Loan Account.

Section 2.05. *Eligible Expenditures*

The Recipient and the Project Implementing Entity shall use the proceeds of the Loan exclusively to finance expenditures which, except as otherwise provided in the Loan Agreement, satisfy the following requirements (“Eligible Expenditure”):

- (a) the payment is for the financing of the reasonable cost of goods, works or services required for the Project, to be financed out of the proceeds of the Loan and procured, all in accordance with the provisions of the Legal Agreements;
- (b) the payment is not prohibited by a decision of the United Nations Security Council taken under Chapter VII of the Charter of the United Nations; and
- (c) (i) subject to Section 2.06, the payment is made on or after the date of the Loan Agreement; and (ii) except as the Bank may otherwise agree, the payment is for expenditures incurred prior to the Closing Date.

Section 2.06. *Retroactive Financing*

The Loan Agreement may provide for the financing of Retroactive Payments. In such case, the Loan Agreement specifies the Retroactive Payments eligible for financing, the Retroactive Financing Date and the Retroactive Financing Limit.

Section 2.07. *Financing Taxes*

The use of any proceeds of the Loan to pay for Taxes levied by, or in the territory of, the Member on or in respect of Eligible Expenditures, or on their importation, manufacture, procurement or supply, if permitted by the Legal Agreements, is subject to the Bank’s policy of requiring economy and efficiency in the use of the proceeds of its loans. To that end, if the Bank at any time determines that the amount of any such

Tax is excessive, or that such Tax is discriminatory or otherwise unreasonable, the Bank may, by notice to the Recipient, adjust the percentage of such Eligible Expenditures to be financed out of the proceeds of the Loan specified in the Loan Agreement, as required to ensure consistency with such policy of the Bank.

Section 2.08. Refinancing Preparation Advance; Capitalizing Front-end Fee, Interest

- (a) *Refinancing Preparation Advance.* If the Loan Agreement provides for the repayment out of the proceeds of the Loan of an advance made by the Bank prior to the date of the Loan Agreement (“Preparation Advance”), the Bank shall, on behalf of the Recipient, withdraw from the Loan Account, on or after the Effective Date, the amount required: (i) to repay the withdrawn and outstanding balance of the Preparation Advance as at the date of such withdrawal from the Loan Account; and (ii) to pay all accrued and unpaid charges, if any, on the Preparation Advance as at such date. The Bank shall pay the amount so withdrawn to itself and shall cancel the remaining unwithdrawn amount of the Preparation Advance.
- (b) *Capitalizing Front End Fee.* Except as otherwise provided in the Loan Agreement, the Bank shall, on behalf of the Recipient, withdraw from the Loan Account, on or after the Effective Date and pay to itself, the amount of the Front-end Fee payable pursuant to Section 3.01.
- (c) *Capitalizing Interest.* If the Loan Agreement provides for financing of interest and other charges on the Loan out of the proceeds of the Loan, the Bank shall, on behalf of the Recipient, withdraw from the Loan Account on each of the Interest Payment Dates, and pay to itself the amount required to pay such interest and other charges accrued and payable as at such date, subject to any limit specified in the Loan Agreement on the amount to be so withdrawn.

Section 2.09. Reallocation

Notwithstanding any allocation of an amount of the Loan to a category of expenditures under the Loan Agreement, if the Bank reasonably determines at any time that such amount will be insufficient to finance such expenditures, it may, by notice to the Recipient:

- (a) reallocate any other amount of the Loan which, in the opinion of the Bank, is not needed for the purpose for which it has been allocated under the Loan Agreement, to the extent required to meet the estimated shortfall; and
- (b) if such reallocation will not fully meet the estimated shortfall, reduce the percentage of such expenditures to be financed out of the proceeds of the Loan, in order that withdrawals for such expenditures may continue until all such expenditures have been made.

ARTICLE III

Loan Terms

Section 3.01. *Front-end Fee; Commitment Fee*

- (a) *Front-end Fee.* The Recipient shall pay the Bank a front-end fee on the Loan amount at the rate specified in the Loan Agreement (“Front-end Fee”).
- (b) *Commitment Fee.* The Recipient shall pay the Bank a commitment fee on the Unwithdrawn Loan Balance at the rate specified in the Loan Agreement (“Commitment Fee”). The Commitment Fee shall accrue from the date falling sixty (60) days after the date of the Loan Agreement to the respective dates on which amounts are withdrawn by the Recipient from the Loan Account or cancelled. The Commitment Fee shall be payable in arrears on each Interest Payment Date, commencing on the first Interest Payment Date following the Effective Date.

Section 3.02. *Interest*

- (a) The Recipient shall pay the Bank interest on the Withdrawn Loan Balance at the Variable Rate. Interest shall: (i) accrue from the respective dates on which amounts of the Loan are withdrawn; (ii) be calculated on the basis of the actual number of days elapsed and a three hundred sixty (360)-day year (unless market practice for the Loan Currency provides for a three hundred sixty-five (365)-day year) ; and (iii) be payable in arrears on each Interest Payment Date.
- (b) If interest on any amount of the Withdrawn Loan Balance is based on a Variable Spread, the Bank shall notify the Loan Parties of the interest rate on such amount for each Interest Period, promptly upon its determination.
- (c) If the Bank determines that (i) the Reference Rate for the Loan Currency has permanently ceased to be quoted, or (ii) the Bank is no longer able, or it is no longer commercially acceptable for the Bank, to continue to use such Reference Rate for purposes of its asset and liability management, the Bank shall apply such other Reference Rate for the Loan Currency, including any applicable spread, as it may reasonably determine. The Bank shall promptly notify the Loan Parties of such other rate.
- (d) Notwithstanding the provisions of paragraph (a) of this Section, if any amount of the Withdrawn Loan Balance remains unpaid when due and such nonpayment continues for a period of thirty (30) days, then the Recipient shall pay the Default Interest Rate on such overdue amount, in lieu of the Variable Rate, until such overdue amount is fully paid. Interest at the Default Interest Rate shall accrue from the first day of each Default Interest Period and shall be

payable in arrears on each Interest Payment Date.

Section 3.03. *Repayment*

The Recipient shall repay the Withdrawn Loan Balance to the Bank in accordance with the provisions of the Loan Agreement.

Section 3.04. *Prepayment*

- (a) After giving not less than forty-five (45) days' notice to the Bank, the Recipient may repay the Bank the following amounts in advance of maturity, as of a date acceptable to the Bank (provided that the Recipient has paid all Loan Payments due as at such date, including any prepayment premium calculated pursuant to paragraph (b) of this Section): (i) the entire Withdrawn Loan Balance as at such date, or (ii) the entire principal amount of any one or more maturities of the Loan. Any partial prepayment of the Withdrawn Loan Balance shall be applied in the manner specified by the Recipient, or in the absence of any specification by the Recipient, in the following manner: (A) if the Loan Agreement provides for the separate amortization of specified disbursed amounts of the principal of the Loan ("Disbursed Amounts"), the prepayment shall be applied in the inverse order of the Disbursed Amounts, with the Disbursed Amount which has been withdrawn last being repaid first and with the latest maturity of said Disbursed Amount being repaid first; and (B) in all other cases, the prepayment shall be applied in the inverse order of the Loan maturities, with the latest maturity being repaid first.
- (b) The prepayment premium payable under paragraph (a) of this Section shall be an amount reasonably determined by the Bank to represent any cost to it of redeploying the amount to be prepaid from the date of its prepayment to its maturity date.

Section 3.05. *Partial Payment*

If the Bank at any time receives less than the full amount of any Loan Payment then due, it shall have the right to allocate and apply the amount so received in any manner and for such purposes under the Loan Agreement as it determines in its sole discretion.

Section 3.06. *Place, Currency and Manner of Payment*

- (a) All Loan Payments shall be paid at such places as the Bank shall reasonably specify.
- (b) The Recipient shall pay all Loan Payments in the Loan Currency.

- (c) Any Loan Payment required to be paid to the Bank shall be made in such manner as shall be permitted under applicable law for the purpose of making such payment and effecting the deposit of such payment to the account of the Bank with the financial institution designated by the Bank.
- (d) The Member shall ensure that all Loan Payments are exempt from, and are paid without restrictions of any kind imposed by, or in the territory of, the member and without deduction for any Taxes levied by or in the territory of the Member.

Section 3.07. No Taxes on Legal Agreements

The Member shall ensure that the Legal Agreements are free from any and all Taxes levied by, or in the territory of, the Member on, or in connection with, their execution, delivery or registration.

Section 3.08. Valuation of Currencies

Whenever it becomes necessary, for the purposes of any Legal Agreement, to determine the value of one Currency in terms of another, such value shall be as reasonably determined by the Bank.

Section 3.09. Conversions of Loan Terms

- (a) The Bank intends over time to develop mechanisms that will enable it to offer the Recipient the option to convert either the interest rate basis applicable to the Loan or the currency of denomination of the Loan (or both) (collectively, "Conversions", and individually, "Conversion") on such terms and conditions as shall be determined by the Bank ("Conversion Terms and Conditions"). At such time as the Bank adopts a policy providing for Conversions, the Bank shall notify the Recipient of the Conversion options available to the Recipient and the Conversion Terms and Conditions. Upon such notification, the Recipient may, at any time, in order to facilitate prudent debt management, request a Conversion in accordance with the Conversion Terms and Conditions. The Recipient shall furnish each such request to the Bank in accordance with the Conversion Terms and Conditions.
- (b) Upon acceptance by the Bank of a request by the Recipient for a Conversion, the Bank shall take all actions necessary to effect said Conversion in accordance with the Conversion Terms and Conditions. To the extent any modification of the provisions of these General Conditions or of the Loan Agreement, providing for the terms of the Loan or for withdrawal or repayment of the proceeds of the Loan, is required to give effect to said Conversion in accordance with the Conversion Terms and Conditions, such provisions shall be deemed to have been modified as of the date on which said

Conversion is effected. Promptly after the Bank has effected the Conversion, the Bank shall notify the Loan Parties of the new financial terms of the Loan, including any revised amortization provisions and modified provisions of these General Conditions and the Loan Agreement.

Section 4.03. Provision of Funds and other Resources

- (c) The Recipient and the Project Implementing Entity shall retain all records (contracts, orders, invoices, bills, receipts and other documents) evidencing expenditures under their Respective Parts of the Project until at least one (1) year after the Bank has received the audited Financial Statements covering the period during which the last withdrawal from the Loan Account was made. The Recipient and the Project Implementing Entity shall enable the Bank's representatives to examine such records.

Section 4.08. *Project Monitoring and Evaluation*

- (a) The Recipient shall maintain or cause to be maintained policies and procedures adequate to enable it to monitor and evaluate on an ongoing basis, in accordance with indicators acceptable to the Bank, the progress of the Project and the achievement of its objectives.

The Recipient shall furnish or cause to be furnished each Project Report to the Bank promptly upon its preparation, afford the Bank a reasonable opportunity to exchange views with the Recipient and the Project Implementing Entity on such report, and thereafter implement such recommended measures, taking into account the Bank's views on the matter.
- (c) The Recipient shall prepare, or cause to be prepared, and furnish to the Bank not later than six (6) months after the Closing Date, or such other date as may be specified for that purpose in the Loan Agreement, a report of such scope and in such detail as the Bank shall reasonably request, on the execution of the Project, the performance by the Loan Parties, the Project Implementing Entity and the Bank of their respective obligations under the Legal Agreements and the accomplishment of the purposes of the Loan ("Completion Report"). The Completion Report shall include a plan designed to ensure the sustainability of the Project's achievements.

Section 4.09. *Financial Management; Financial Statements; Audits*

- (a) The Recipient shall maintain, or cause to be maintained, a financial management system and prepare financial statements ("Financial Statements"), both in accordance with consistently applied accounting standards acceptable to the Bank and in a manner adequate to reflect the operations, resources and expenditures related to the Project.

 - (i) have the Financial Statements periodically audited in accordance with the Legal Agreements, by independent auditors acceptable to the Bank, in accordance with consistently applied auditing standards acceptable to the Bank;
 - (ii) not later than the date specified in the Legal Agreements, furnish, or cause to be furnished, to the Bank the Financial Statements as so audited, and such other information concerning the audited Financial Statements and such auditors, as the Bank may from time to time reasonably request; and

Section 4.10. *Cooperation and Consultation*

The Bank, the Loan Parties and the Project Implementing Entity, shall cooperate fully to ensure that the purposes of the Loan and the objectives of the Project will be accomplished. To that end, the Bank, the Loan Parties and the Project Implementing Entity shall:

Section 4.12. *Disputed Area*

In the event that the Project is in an area which is or becomes disputed, neither the Bank's financing of the Project, nor any designation of or reference to such area in the Legal Agreements, is intended to constitute a judgment on the part of the Bank as to the legal or other status of such area or to prejudice the determination of any claims with respect to such area.

ARTICLE V

Financial and Economic Data; Negative Pledge

Section 5.01. *Financial and Economic Data*

The Member shall periodically furnish to the Bank all such information as the Bank shall reasonably request with respect to financial and economic conditions in its territory, including its balance of payments and its External Debt, as well as that of its political or administrative subdivisions and of any entity owned and controlled by, or operating for the account or benefit of, the Member or any such subdivision, and of any institution performing the functions of a central bank or exchange stabilization fund, or similar functions, for the Member.

Section 5.02. *Negative Pledge*

- (a) It is the policy of the Bank, in making loans to, or with the guarantee of, its members not to seek, in normal circumstances, special security from the member concerned, but to ensure that no other External Debt shall have priority over its loans in the allocation, realization or distribution of foreign exchange held under the control or for the benefit of such member. To that end, the Member undertakes to ensure that no other External Debt of the Member shall have priority over the Loan in the allocation, realization or distribution of foreign exchange held under the control or for the benefit of the Member. If any Lien is created on any Public Assets as security for any External Debt, which will or might result in a priority for the benefit of the creditor of such External Debt in the allocation, realization or distribution of foreign exchange, such Lien shall, unless the Bank shall otherwise agree, ipso facto and at no cost to the Bank, equally and ratably secure all Loan Payments, and the Member, in creating or permitting the creation of such Lien, shall make express provision to that effect; provided, however, that if for any constitutional or other legal reason such provision cannot be made with respect to any Lien created on Assets of any of its political or administrative subdivisions, the Member shall promptly, and at no cost to the Bank, secure all Loan Payments by an equivalent

- Lien on other Public Assets satisfactory to the Bank.
- (b) The Recipient, if it is not the Member, undertakes that, except as the Bank shall otherwise agree:
- (i) if the Recipient creates any Lien on any of its Assets as security for any debt, such Lien will equally and ratably secure the payment of all Loan Payments, and in the creation of any such Lien express provision will be made to that effect, at no cost to the Bank; and
 - (ii) if any statutory Lien is created on any of the Recipient's Assets as security for any debt, the Recipient shall grant at no cost to the Bank, an equivalent Lien satisfactory to the Bank to secure the payment of all Loan Payments.
- (c) The provisions of paragraphs (a) and (b) of this Section shall not apply to: (i) any Lien created on property, at the time of purchase of such property, solely as security for the payment of the purchase price of such property or as security for the payment of debt incurred for the purpose of financing the purchase of such property; or (ii) any Lien arising in the ordinary course of banking transactions and securing a debt maturing not more than one (1) year after the date on which it is originally incurred.

ARTICLE VI

Cancellation; Suspension; Acceleration

Section 6.01. Cancellation by the Recipient

The Recipient may, by notice to the Bank, cancel any amount of the Unwithdrawn Loan Balance, except that the Recipient may not cancel any such amount that is subject to a Special Commitment.

Section 6.02. Suspension by the Bank

If any of the events specified in paragraphs (a) through (m) of this Section occurs and is continuing, the Bank may, by notice to the Loan Parties, suspend in whole or in part the right of the Recipient to make withdrawals from the Loan Account. Such suspension shall continue unless and until: (1) (A) the event (or events) which gave rise to the suspension has (or have) ceased to exist; and (B) the Bank has notified the Loan Parties that such right to make withdrawals has been restored; or (2) the Bank has notified the Loan Parties that notwithstanding the continued existence of said event (or events), such right to make withdrawals has been restored.

(a) Payment Failure

- (i) The Recipient has failed to make payment (notwithstanding the fact that such payment may have been made by the Guarantor or a third party) of principal or interest or any other amount due to the Bank: (A) under the Loan Agreement; or (B) under any other agreement between the Bank and the Recipient; or (C) in consequence of any guarantee extended, or other financial obligation of any kind assumed, by the Bank to any third party with the agreement of the Recipient.
- (ii) The Guarantor has failed to make payment of principal or interest or any other amount due to the Bank: (A) under the Guarantee Agreement; or (B) under any other agreement between the Guarantor and the Bank; or (C) in consequence of any guarantee extended, or other financial obligation of any kind assumed, by the Bank to any third party with the agreement of the Guarantor.

(b) Performance Failure

- (i) A Loan Party has failed to perform any other obligation under the Legal Agreement to which it is a party.
- (ii) The Project Implementing Entity has failed to perform any obligation under the Project Agreement.

(c) Prohibited Practices

At any time, the Bank determines that any representative of the Guarantor or the Recipient or the Project Implementing Entity (or any other recipient of any of the proceeds of the Loan) has engaged in a Prohibited Practice in connection with the use of the proceeds of the Loan.

(d) Cross Suspension

The Bank has suspended in whole or in part the right of a Loan Party to make withdrawals under any agreement with the Bank because of a failure by a Loan Party to perform any of its obligations under such agreement or any other agreement with the Bank.

(e) Extraordinary Situation

- (i) As a result of events which have occurred after the date of the Loan Agreement, an extraordinary situation has arisen which makes it improbable that the Project can be carried out or that a Loan Party or

the Project Implementing Entity will be able to perform its obligations under the Legal Agreement to which it is a party.

- (ii) An extraordinary situation has arisen under which any further withdrawals under the Loan would be inconsistent with the provisions of Article 12-1 of the Bank's Articles of Agreement.

(f) Event Prior to Effectiveness

The Bank has determined after the Effective Date that, prior to such date but after the date of the Loan Agreement, an event has occurred which would have entitled the Bank to suspend the Recipient's right to make withdrawals from the Loan Account if the Loan Agreement had been effective on the date such event occurred.

(g) Misrepresentation

A representation made by a Loan Party or the Project Implementing Entity in or pursuant to the Legal Agreements, or any representation or statement furnished by a Loan Party or the Project Implementing Entity, and intended to be relied upon by the Bank in making the Loan, was incorrect in any material respect.

(h) Co-financing

Any of the following events occurs with respect to any financing specified in the Loan Agreement to be provided for the Project ("Co-financing") by a financier (other than the Bank) ("Co-financier").

- (i) if the Recipient creates any Lien on any of its Assets as security for any debt, such Lien will equally and ratably secure the payment of all Loan Payments, and in the creation of any such Lien express provision will be made to that effect, at no cost to the Bank; and if the Loan Agreement specifies a date by which the agreement with the Co-financier providing for the Co-financing ("Co-financing Agreement") is to become effective, the Co-financing Agreement has failed to become effective by that date, or such later date as the Bank has established by notice to the Loan Parties ("Co-financing Deadline"); provided, however, that the provisions of this sub-paragraph shall not apply if the Loan Parties establish to the satisfaction of the Bank that adequate funds for the Project are available from other sources on terms and conditions consistent with the obligations of the Loan Parties under the Legal Agreements.
- (ii) Subject to the provisions of sub-paragraph (iii) of this paragraph: (A) the right to withdraw the proceeds of the Co-financing has been suspended, canceled or terminated in whole or in part, pursuant to the

terms of the Co-financing Agreement; or (B) the Co-financing has become due and payable prior to its agreed maturity.
